### POLICIES:

- 1) **Vaccinations:** For the safety of all boarders your pet must be current on vaccinations before entering the boarding facilities. For dogs this includes DHLPPC (or equivalent), Rabies, and Bordetella (Kennel Cough). For cats this includes FVRCP (or equivalent) and Rabies. **Any animals without proof of current vaccinations will be vaccinated at owner's expense prior to boarding.**
- 2) **Parasites:** Any pet found to have contagious parasites such as fleas, ticks, or mange will be treated and cleared before entering the boarding facility at owners expense for the safety of all other boarders.
- 3) **Medications:** Any pet requiring special medications while boarding must have this clearly stated at the time of drop off and noted on this form. Medications should be provided by the owner. Should they not be, a prescription for the amount needed to cover boarding will be made at owner's expense.
- 4) **Food:** We provide standard maintenance food for all boarding animals. Any pet needing a special diet should bring enough food for their stay. Should they not, we will provide the required diet or an equivalent diet. Any bags or cans of specialty food opened for said pet will be charged to the owner.
- 5) **Personal Items:** You are free to leave personal items with your pet, but Countryside Animal Hospital is not responsible if items are lost or damaged.
- 6) **Emergencies:** Should a medical emergency arise during your pet's stay, we will use all possible avenues to reach you or your contact to authorize treatment. However, if no contact is available and you cannot be reached, we will begin necessary treatment at owner's expense. It is very important you leave some form of contact with us if at all possible.
- 7) If your pet has special needs, medications or conditions please let us know:
